## “The Barbara Davenport Loving Souls Community Service Award” *Faith Williams*

Our individual community service award is presented to someone who willingly gives service to their community in the fight against cancer and is involved in other community activities. It was initially named The Alex Murphy Loving Souls Award. In 1999 it was changed to “The Barbara Davenport Loving Souls Community Service Award”. The late Barbara Davenport, at one time a Health Educator with the Pennsylvania Department of Health, Southcentral District, was one of the original dedicated members of this coalition. She faithfully served her family, church and community.

In February 1998, Barbara, a breast cancer survivor, was called to her eternal rest. Because of Barbara’s love of community health, her sacrifices and dedication to all, we unanimously agreed to change the name of the award in remembrance of her spirit.
